

INTERNSHIP OFFER LETTER

Date: 14/03/2025

CIN: PST/MAR25/1861

Dear **Sujal Singh**,

We are delighted to offer you, **Sujal Singh** from **GLA University, Mathura, Uttar Pradesh**, the position of **Machine Learning Intern** at **Prasunet Pvt. Ltd.** under our vision, "**Tech Bharat, Global Impact.**" This internship is designed to provide hands-on experience in **Machine Learning**, allowing you to work on innovative projects, develop industry-relevant skills, and contribute to cutting-edge technological advancements with a global perspective.

The program will be conducted in a virtual environment, enabling you to collaborate with industry professionals, gain practical exposure, and work on impactful projects from anywhere. Your internship will commence on **15th March 2025** and conclude on **15th April 2025**. Throughout this journey, you will receive expert mentorship, access to professional tools, and an opportunity to enhance your technical and problem-solving abilities.

By accepting this offer, you acknowledge that this internship is an educational opportunity and does not guarantee employment at Prasunet Pvt. Ltd. You are also expected to adhere to all corporate policies applicable to interns. Any modifications to this agreement will require formal consent from both parties.

We look forward to welcoming you to **Prasunet Pvt. Ltd.** and witnessing your contributions to our vision of "**Tech Bharat, Global Impact.**" Wishing you a rewarding and enriching learning experience!

Best regards,

CEO, Prasunet Pvt. Ltd.
